Preparing for Pentecost

By Rev. James L. Harris

“And I will ask the Father, and he will give you another Counselor to be with you forever—the Spirit of truth. The world cannot accept him, because it neither sees him nor knows him. But you know him, for he lives with you and will be in you. I will not leave you as orphans; I will come to you.” (John 14:16-18)

As believers, we just celebrated the death and resurrection of our Lord and Savior, Jesus Christ. Fifty days after Jesus was resurrected, the promise of another Counselor was fulfilled while Peter and the early Church were in Jerusalem for Pentecost.

Acts 2:1-4 states, “When the day of Pentecost came, they were all together in one place. Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. They saw what seemed to be tongues of fire that separated and came to rest on each of them. All of them were filled with the Holy Spirit and began to speak in other tongues as the spirit enabled them.”

I don't know about you, but I'm always just as excited to celebrate Pentecost as I am Easter Sunday. There are three reasons I find myself excited about Pentecost Sunday. First, I take this time to celebrate Jesus asking our Heavenly Father to leave another Counselor. I am also excited about His fulfilled promise and God's children being on one accord.

While preparing to leave this earth, Jesus thought enough of us to ask our Heavenly Father to give us a Counselor that would be with us forever. I don't know about you, but for me, free counseling is a plus. In this life we may not always be able to make it to our family, pastor, children, or friends, but we can always seek God in prayer and get the answers we need through the Holy Spirit's counsel. Secondly, I celebrate Jesus keeping His word by fulfilling the promise. We live in a world with people we can't always depend on. Technology, businesses, political figures, spouses, and diets all make promises but don't always deliver. I'm so glad we serve a God we can ALWAYS depend on. Lastly, I celebrate all of God's children being on one accord. Things happen when we operate in the spirit of unity. I believe God desires for His children to be on one accord with one agenda. We allow our personal egos and personal agendas to divide us. When we continue to operate in this manner, God's agenda is compromised. So, let's get on one accord and watch for God's miracles, signs, and wonders!

We can prepare for Pentecost by putting our personal agendas to the side, seeking God's counsel through the Holy Spirit, and giving God praise for being a promise keeper. I look forward to seeing what God has in store for each of you, Nineteenth Street Baptist Church, and the community God has called us to serve. I encourage you to remain faithful to the work God has called us to do by continuing to love each other as Christ does and remain encouraged because God is not through blessing us. ❖

Deaconesses Support Stork's Nest Program

By Deaconess Mattie B. H. Gay

The Nineteenth Street Deaconess Board initiated a new service project, "Bassinets 4 Premature Babies," this March. We collected an abundance of baby items that we donated to the Stork's Nest program at Unity Health Care's Parkside Health Center.

In addition to purchasing five JPMA-certified bassinets, we lovingly filled gift bags with new baby items in sizes up to 12 months. The specific gift items included: undershirts and onesie sets, baby blanket sets, bassinet sheets, washcloths, towels, baby bibs, receiving blankets, baby caps/hats, baby bottles and nipples, socks, leggings, booties, bath items, sleep sacks to decrease sudden infant death syndrome (SIDS), baby thermometers, and boxes of diapers.

Deaconesses representing each flower team gathered at the church before delivering the donated baby items to Parkside Health Center on a very rainy April 1, 2022.

The Deaconess Board is organized into five flower teams: Buttercup, Marigold, Orchid, Rose, and Zinnia. A very special thank-you to Deaconess E. Louise White, vice chair, for her donation of five hand-crocheted baby blankets for each flower team's bassinet.

We transported the mostly unassembled bassinets to Parkside on Friday, April 1 at noon. Praise God for the cheerful giving of the Deaconess Board's "Church Mothers" for assisting another generation of young mothers and their babies in spring 2022!

Deaconess Evangeline F. Stevens chairs the Deaconess Board. Deaconess Monique Wiley-Crawford leads the Deaconess Board service projects, and Deaconess Mattie Gay led the March 2022 service project. ❖

Celebrate Trustee Rally Day on May 15

By Trustee Reginald Cole, Chair, Trustee Board

Worshiping in person is something we have all missed and are pleased to experience once again. For two years, as we worshiped from home and attended meetings on Zoom, our sacred edifice has been without the same level of energy, music, and activities we have come to enjoy and anticipate. And while a building is not a living organism, lack of use and activity can also cause it to deteriorate. Despite the reduced activity, the church building has continued to be maintained and, in some cases, improved through the generous financial contributions of our members and the Trustee Board's faithful oversight of our finances and facilities.

Each year on Trustee Rally Day we reflect on and are thankful for the generosity of our congregation and the stewardship of our Board of Trustees. As we acknowledge our blessings on this special Sunday, we are also reminded that our work to care for and improve our place of worship is ongoing. Our upcoming Trustee Rally Day on Sunday, May 15, is one of the main avenues for raising funds to pay for a special church building project. This year's contributions will be used to create needed storage, workspace, access, and security improvements in the

administrative office area. We also plan to make additional repairs to the roof and gutters along the breezeway to address ongoing water problems caused by rain.

Our planned projects will make it possible to continue providing church members and guests with a comfortable space and welcoming environment for our worship experiences. Last year's Trustee Rally gifts of more than \$21,000 were indeed a blessing, and we pray for continued favor through your generous contributions this year.

We request that each member donate \$200 or whatever amount is comfortable. We are prayerful that members will donate generously to cover the high costs of the planned improvements. Trustee Rally Day donations will be accepted through the end of May using all giving options—online, phone apps, or mailed envelopes. Please be sure to note that the donation is for Trustee Rally Day.

We are grateful for your continued offerings and tithes during the pandemic that helped us return to in-person services in a well-maintained and welcoming church. On behalf of Pastor Roberts and the Board of Trustees, I thank you for continually blessing Nineteenth Street through your financial gifts and service. ❖

Be a Nineteenth Street Greeter

By Donza M. Poole, Member, Emergency Management Team

Preparing the church to reopen for in-person activities is no easy task when trying to protect people from COVID-19. At Nineteenth Street, the health and safety of those on church premises are priorities.

Volunteer greeters serve an important role in supporting the church's health and safety goals. They do this while also making sure all who enter God's house feel welcome.

Greeters screen for proof of vaccination and other applicable COVID-19 protocols, welcome church attendees, ensure people are wearing masks, answer worshiper questions, and assist ushers as needed.

The church needs more people to serve as greeters. The Emergency Management Team (EMT) invites church members to consider whether this could be a way for them to be of service.

Greeters must be fully vaccinated, willing to always wear their masks, and able to comply with applicable COVID-19 protocols.

If you are interested in joining Nineteenth Street's great team of greeters, please contact the church office at 202-829-2773 or send an email to office@19thstreetbc.org.

Nineteenth Street is blessed to have an awesome group of dedicated greeters who faithfully serve the church along with members of the Diaconate and Trustee and Usher Boards. The EMT wishes to extend its sincere thanks to the following greeters and ushers who have helped ensure a smooth church reopening this spring:

Deaconess Dena Bowen
Sandra K. Brown
Angela Griffin
Pat Hodge
Deaconess Hester Jones
Debora Lewis

Trustee Robert McNair
Beverly J. Page

Sunday School Easter Egg Hunt

By Kinsley Beckham

Perfect weather, a lawn decorated with over 100 eggs, and smiling faces perfectly describe the Sunday School Easter Egg Hunt on Saturday, April 16. Children played games, dyed eggs, went searching for butterflies, and, of course, went on the egg hunt.

I loved every minute of it. With every sticky or dye-colored hand, mouth covered in frosting, and smiling face, I knew God was there with us, celebrating a lovely day. Even though I couldn't see every smile under the masks as the kids were leaving, I'm

positive the smiles were there. What I could definitely see were the bubbles floating after the kids were given large and small containers of them, along with baseball bats and balls, miniature windmills, slime, and lots of candy that I just know the parents loved.

Overall, the Sunday School Easter Egg Hunt was a huge success. For how could it not be with God in our hearts and bubbles (my favorite giveaway) floating all around us? ❖

The Men's Ministry will celebrate Men's Day in conjunction with Father's Day on Sunday, June 19. The theme will be "Strong Men of God," and the scripture reference is 1 Corinthians 16:13. We are honored that Dr. Derrick Harkins will be our guest preacher, and the Men's Choir is expected to render the music for the morning. There will be a special presentation of the annual "Man of the Year" award, and the young men of the church will be prominently included in the service. Please encourage your family and friends to attend this special day.

The Men's Fellowship Breakfast will be at the church on Saturday, June 18, at 9 a.m. We urge all men of the church to attend and, if possible, invite other men to join us. Please call the church office at 202-829-2773 to RSVP.

Men's Day donations this year will help provide financial assistance to one of our young men in college. We deeply appreciate your gift in any amount. You may use the Men's Day envelope in your personal package or use any of the church giving methods (by mail, online, or phone app). Be sure to clearly notate that your contribution is a Men's Day Donation.

We look forward to the growth and uniting of the Men's Ministry. We know that God will be honored and glorified as we meet the challenges of the uncertain times ahead. COVID-19 has stopped or slowed many activities, but it will not stop how we serve our Lord and Savior. We look forward to fellowshiping with the great men of Nineteenth Street again. ❖

Celebrating World Fair Trade Day on May 14

By Donza M. Poole, Chair, Building Fund Committee

This month the Building Fund Committee (BFC) celebrates eight years of selling Fair Trade products by Equal Exchange to help raise funds for capital improvements.

May 14 is also World Fair Trade Day. The BFC invites you to celebrate World Fair Trade Day by purchasing a Fair Trade product from us this month. To make a purchase, review the products and price list [here](#) or use the QR code below. Email the BFC at buildingfund@19thstreetbc.org to place your order. A BFC member will contact you to arrange for the payment and pick-up of the products at the church.

For the BFC, selling Fair Trade products has always been about more than fundraising. We like to say that when you buy a Fair Trade product from the BFC, you help the church do well, while also doing good. The Fair Trade products we feature are produced by small farmers worldwide who employ sustainable and fair farming practices that are good for the environment and help to improve the economic condition of the farmers and their communities.

Many products the BFC features are from the African diaspora—including coffee beans grown in Ethiopia, cacao from the Dominican Republic, pecans grown by a Black farmer collective in Georgia, and rooibos tea of South Africa. And when it comes to Equal Exchange chocolate bars, you can rest assured they were produced without child labor.

The BFC appreciates the support of our church family and friends in helping us raise funds for capital improvements through Fair Trade. We look forward to continuing this

partnership of helping the church do well, while also doing good!

If you'd like to do more, you may support our capital improvement fundraising with an offering contribution to the church designated for the Capital Improvement Project. Click [here](#) to donate online. Also, the BFC welcomes new members. We generally meet the second Saturday of the month via Zoom. Email buildingfund@19thstreetbc.org for more information.

World Fair Trade Day is organized by the World Fair Trade Organization to raise awareness about alternative solutions to the planet's economic and ecological challenges. Visit wfto.com to learn more about the celebration and this year's theme "Climate Justice." ♦

Excited, Encouraged, Expectant... Haiti Clinic Moves Forward

By Monica Reeder, Global Missions Ministry Haiti Team Lead

Praise God that the people of God continue to flourish, evangelize, and share the love of the Lord around the world. To that end, fundraising and plans to build a pediatric clinic in a remote area of Haiti continue through our partnership with VillageMED. We are ever closer to breaking ground.

On April 2 and 3, Nancy Quincy, president of VillageMED, hosted a weekend event in New Jersey with Acfenes Antoine, the Haitian architect for the pediatric clinic.

Global Missions Ministry Leader Phillis Walls Cooke and missionaries Monica Reeder, Edith Bullard-Britt, and Stan Britt participated in person while Deacon Board Chair Shawn Davis-Wilensky and Pastor Roberts participated via Zoom. The weekend was very productive, and God's hand was evident throughout.

We have a new location for the clinic. As planned, the clinic will serve the Layaye community, but the area of service has expanded to cover more people who are underserved. (There is one doctor for more than 52,000 people.) Antoine has already facilitated the building of a school and has arranged for the school to provide the land for the clinic. He will work in consultation with our architect Stan Britt.

We are still a little short on our fundraising goal. If you can eke out a little more to get us over the \$100,000 goal, please do so. We have a donor who will match

all donations up to \$2,000. Please help by donating any amount you can! You can give by check, Cash App, PayPal, or Givelify. Be sure to notate your donation is for the Haiti Pediatric Clinic.

All praises and glory to God for what He has done! There is still much to do. Let us see what God has in store for us next. ❖

Answer the Call to Help in Ukraine

*By Phillis W. Cooke,
Global Missions Ministry Leader*

The invasion of Ukraine has produced a crisis of devastating destruction and loss to the Ukrainian people, their homes, and their infrastructure. We are witnesses to Ukrainian people coming together in solidarity to fight for their homeland. We stand with them. We also are witnesses to racism. Even during this humanitarian crisis, people of color in Ukraine have been discriminated against when trying to escape to safety across the borders as well as in Ukraine itself. We know discrimination, and our hearts are with them.

Global Missions Ministry invites you to contribute to this great humanitarian need. Through our giving, we can show the love of Christ. We have chosen to donate to Save the Children and the International Rescue Committee. Both organizations have a history of responding to the world's worst humanitarian crises and helping to restore safety, health, economic opportunity, and well-being to people devastated by war, natural disasters, and other conflicts, and showing respect and aid for all races of people.

We will accept donations through the end of April and divide them equally between the two organizations. Be sure to write UKRAINE in the memo section. Let us hold the Ukrainian people in love, according to our faith, and keep them covered in prayer. We continue to pray for God's guidance and favor. ❖
